"Allowance of an equal amount will also be given at the conclusion of the Scholarship for moving out of station. On a case-to-case basis, economy airfare from his/her place/country of residence will be provided/reimbursed upon joining and on the conclusion of the Scholarship.",

"In this regard, Non-MoC Institutions will bear the expenditure and thereafter seek reimbursement from the Ministry after submission of certified copies of Bills along with justification.",

"Intimation in advance is also required to be given to the Ministry by the Non-MoC Institutions. MoC Institutions will bear the expenditure in this regard from the grant-in-aid received by them from their administrative Division of the Ministry.",

"Infrastructural support will be provided by the Nodal Institution to the Scholars to enable them to conduct their research. This may include the provision of a computer with peripherals and connectivity, working space in the institution's premises, providing a congenial atmosphere to carry out research, etc. Other facilities, like appropriate seating arrangements, library facilities, etc., will also be made available.",

"One important advantage of this scheme will be the access of the Scholars to national institutions for study and avail original and rare research material. In respect of foreign Scholars engaged under this scheme, necessary political/security clearances from the concerned Ministries/Departments shall be obtained by the Ministry of Culture.",

"Encouragement and financial support may also be given to enable the Scholars to present papers at conferences hosted by the concerned institution or other related organizations and institutions, which will be met out/reimbursed, on an 'actuals' basis, with a ceiling of ₹1.00 lakh per annum, provided adequate academic interaction is arranged."

"eligibility": [

"A scholar with good academic credentials at least one publication, either a book or a research paper in reputed journals, and 2 years of research/teaching experience will be eligible to apply for the Tagore National Scholarships.",

"This scheme also gives opportunities to young artists/performers to apply for the scholarship.",

"The scholars also need to identify a nodal institution from the list given in Appendix B according to their preferences/expertise to conduct original research preferably by using the sources of the same institution. The research work may also include the identification and cataloging of sources available with the institution or the archiving and creation of new sources that the institution should have. (Guidelines for preparing research proposal are given in Appendix A)",

"The selected Scholars will normally work on a project that benefits the Nodal Institution in terms of unraveling its resources. The subject of research should be one that can be usefully pursued with the resources and facilities of the Nodal Institution awarding the Scholarship, though he/she will be free to draw on the resources and facilities of other institutions, as well.",

"If the subject of research extends to more than one institution or the Scholar otherwise needs to draw upon the resources and facilities of other institution(s), the Nodal Institution awarding the Scholarship would recommend the Scholars to such other institution(s). In rare cases, where two institutions appear to be of almost equal importance to the Scholars, the second institution may be deemed to be the 'Co-institution' and the two may sign a Tripartite MoU regarding Intellectual Property, Publication, Credit sharing, facilities, etc. but accounting shall be with the Nodal Institution.",

"Since the Scheme is focused on unraveling the cultural resources of the Nodal Institution, the project must be driven in that direction, that is, to use substantially the resources of the Nodal Institution. The inputs required for the project should have a very strong linkage with the resources available with the Nodal Institution and (in rare cases) the Co-institution.",

Further, repayment schedules and norms are different for short-term and term loans. Hence, in order to have operational and accounting convenience, the card limit is to be bifurcated into separate sub-limits for short-term cash credit limit cum savings account and term loans.",

"The drawing limit for short-term cash credit should be fixed based on the cropping pattern and the amounts for crop production, repairs and maintenance of farm assets and consumption may be allowed to be drawn at the convenience of the farmer. In case the revision of the scale of finance for any year by the district-level committee exceeds the notional hike of 10% contemplated while fixing the five-year limit, a revised drawable limit may be fixed and the farmer is advised about the same. In case such revisions require the card limit itself to be enhanced (4th or 5th year), the same may be done and the farmer be so advised. "Integrated pack house The scheme provides for the setting up of an integrated pack house as a subsidiary component of collection, aggregation and grading units and integrated processing units. While designing the type of pack house it must be ensured that it meets the requirement of the commodities targeted, is accessible to the handling and processing unit and have linkages with the market. This component should also be taken up as entrepreneur driven. FPCs/FPOs/FIGs will also be entitled to avail assistance. They may avail of subsidy without credit link, subject to the condition that they are able to meet their share of the project cost. Assistance to FPCs/FPOs/FIG shall be restricted to 75% of TFO or Rs 37.50 Lakh, whichever is less. Assistance to private entrepreneurs shall be 50% of TFO or a maximum of Rs 37.50 Lakh, whichever is less as credit linked subsidy",

"Transportation/4-wheeler up to TFO of 12 lakhs (50%) Refrigerated transport vehicles and pre-cooling/ cold stores/ ripening chambers etc constitute for cold chain infrastructure and should be developed as an integral part of the integrated pack house. State lead agencies need to ascertain the need according to the commodities and quantities being targeted. Extant specifications standards and protocols on cold storage and cold-chain components will be adhered to while approving cold storage projects. Revisions to technical standards and adherence protocols shall be updated by National Centre for Cold-chain Development (NCCD) as necessary when improved technologies and efficiencies are introduced/understood/approved.",

"Cold chain component Assistance for Refrigerated transport vehicles and pre-cooling/ cold stores/ ripening chambers etc. will also be subjected to the conditions mentioned in 1 above and at Cold chain component B.3.3 above. Assistance to FPCs/FPOs/FIGs will be restricted to 75% of TFO or Rs. 18.75 lakh, whichever is less, separately for both refrigerated vehicles and cold storage etc. Assistance to private entrepreneurs shall be 50% of TFO or a maximum of Rs. 18.75 lakh for each component whichever is less as credit-linked subsidy is."
